Job Title: BIM Architectural/Landscape Architectural Drafter
Location: Dubai, UAE
Job Type: Full-time, Permanent

We are currently seeking a highly skilled BIM Architectural/Landscape Architectural Drafter to join our team in Dubai, UAE. The successful candidate will have a minimum of two years of experience in Architectural/Landscape Architectural drafting using BIM software such as Autodesk Revit and Civil 3D. A degree or technical certificate related to BIM systems is ideal.

Responsibilities:

- Develop 3D models and 2D drawings for architectural and landscape architectural projects using BIM software such as Autodesk Revit and Civil 3D
- Work collaboratively with architects, engineers, and other project team members to ensure accuracy and completeness of drawings
- Prepare construction documentation including plans, sections, elevations, and details
- Manage and organize BIM files and documentation
- Review and coordinate design changes and modifications with project team members
- Ensure compliance with project requirements and standards
- Participate in project meetings and presentations as required

Requirements:

- Minimum of two years of experience in Architectural/Landscape Architectural drafting using BIM software such as Autodesk Revit and Civil 3D
- Degree or technical certificate related to BIM systems is ideal
- Excellent knowledge of BIM modeling and documentation standards and best practices
- Proficiency in Autodesk Revit and Civil 3D
- Strong organizational and time management skills
- Excellent communication and collaboration skills
- Ability to work effectively in a fast-paced, deadline-driven environment
- Portfolio sample demonstrating BIM drafting skills

If you meet the requirements and are interested in joining our team, please submit your CV, portfolio sample, and references for consideration to Careers@sks-studio.com. Salary will be commensurate with experience.
