Job Title: Senior Landscape Architect and Project Manager (Hospitality Emphasis)

Location: Dubai, UAE

Job Type: Full-time, Permanent

Salary: Competitive, commensurate with experience

We are seeking a Senior Landscape Architect and Project Manager with 5+ years of experience in the design and management of high-end hospitality projects, including luxury hotels and resorts. The ideal candidate will have a degree in Landscape Architecture, Architecture, or other professional design program, and possess strong knowledge of plant materials and planting design. The applicant must possess exceptional graphics skills and demonstrate a creative flair and a natural aptitude for design. In addition, candidates must be competent in BIM software such as Autodesk Revit.

Responsibilities:

- Manage the design and execution of landscape architecture projects with a strong emphasis on hospitality.
- Develop design concepts, detailed planting plans, and construction documents that meet project requirements and timelines.
- Work with clients, contractors, and other stakeholders to ensure that project deliverables meet or exceed expectations.
- Supervise and mentor junior staff as required.
- Manage project budgets, schedules, and resources to ensure that projects are completed on time and within budget.
- Communicate with clients, stakeholders, and team members to ensure that project objectives are understood and met.
- Travel as required to project sites and client meetings within the region.

Requirements:

- Bachelor's or Master's degree in Landscape Architecture, Architecture, or other professional design program.
- 5+ years of experience in the design and management of landscape architecture projects, with a strong emphasis on hospitality (high-end hotels and luxury resorts).
- Strong knowledge of plant materials and planting design.
- Exceptional graphics skills.
- Aptitude for creative design.
- Competency in BIM software such as Autodesk Revit.
- Excellent written and verbal communication skills.
- Strong project management skills, including experience as a project manager on landscape architecture projects.
- Strong leadership and mentoring skills.
- Ability to work effectively in a team environment.
- Willingness and ability to travel as required within the region.
